

Stick with six

By working together we can all stay safe

Please remember:

- No social gatherings of more than six people indoors or outdoors. That means in private homes and gardens, in pubs, restaurants and outdoor spaces such as parks.

We can control the spread of the virus:

- **Hands** – keep washing your hands regularly
- **Face** – wear a face covering (if you can) in enclosed spaces
- **Space** – stay at least a metre apart.
