Introduction

The overall policy of the Governing Body is to run its finances within its delegated budget. It will aim to maximise the use of that budget together with any other sources of income or grant to deliver the School Development Plan.

This document aims to show how the school will ensure its financial affairs are conducted to achieve appropriate levels of accountability and stewardship within the requirements of the Wakefield Scheme for Financing schools.

1. Governing Body

- 1.1 The Schools Standards and Framework Act 1998 (Fair Funding) places a statutory responsibility on the Governing Body for all aspects of running the school, including its financial affairs.
- 1.2 To enable it to fulfil its role effectively the Governing Body may delegate some of its strategic responsibilities to Committees of Governors. Wakefield Governor Services recommends that Governing Bodies have two primary committees (Standards and Resources) whereby smaller groups of governors can meet and hold more focussed/targeted discussions. Some Governing Bodies choose to have a different committee structure and some choose not to use committees and just meet more regularly. If a Governing Body chooses to have committees, functions delegated to them should be outlined in the terms of reference that have been agreed by the Governing Body. In line with statutory requirements, the Governing Body reviews its committee structure, membership and terms of reference on an annual basis.
- 1.3 The day-to-day management of the school is delegated to the headteacher and senior members of the school's staff. The extent of these delegated powers is set out in Section 2.
- 1.4 In addition, to ensure the financial affairs of the school are properly controlled in line with current best practice and guidance, the Governing Body and headteacher have adopted the financial procedures set out in this policy document.
- 1.5 The Governing Body have agreed to ask the LA to provide the following services centrally and have accordingly allocated the associated part of their delegated budget:
 - Financial and accounting
 - Payroll
 - Creditor Payments
 - Repairs and Maintenance
 - Insurance
 - Governor Training
 - Clerking of Governing Bodies
- 1.6 The Governing Body have agreed to let the following services outside the Council on the basis of a one year renewable contract in line with the Governing Body Purchasing Policy:-

Grounds Maintenance and Cleaning

1.7 Delegated Financial Limits

There may be instances whereby due to exceptional circumstances, the standard approval process under section **3.4 Purchasing** of the Financial Procedures may not be viable to follow and an immediate response is required. Under these circumstances, the Resources Committee can authorise emergency expenditure (i.e. not within the approved budget) up to £5,000. This will require retrospective ratification by the Full Governing Body at the next Full Governing Body meeting. If a response is required before a Resources Committee is scheduled to convene the decision becomes subject to standard Chairs Actions procedures.

2. Delegated Responsibilities

2.1 The Headteacher:

- 2.1.1 Has day-to-day responsibility for managing the school including financial and staffing matters in accordance with the Wakefield Scheme for Financing Schools, subject to regular reporting to the Governing Body.
- 2.1.2 Will work with the Governing Body, School Business Manager and appointed committees in the financial management of the school.
- 2.1.3 Is able to authorise all expenditure approved within the delegated budget. However, in addition will have delegated responsibility to commit the school to expenditure or transfer monies of expenditure up to £2,500 provided that this does not exceed the overall approved expenditure within the delegated budget. Amounts above this limit may only be incurred in conjunction with the Chair of Governors up to £5,000. Where such action has been necessary the amount involved and an explanation should be provided to the next available meeting of the full Governing Body.
- 2.1.4 Can allocate financial duties to appropriate staff, bearing in mind that there is adequate division of duties between members of staff to provide appropriate levels of internal checking and ensure full compliance with the Wakefield Scheme for Financing Schools and the local authority's Financial Procedures Manual.

2.2 The Assistant Headteacher:

- 2.2.1 Should be aware of the Headteacher's responsibilities as well as those of the Governing Body. The Assistant Headteacher should also be aware of the school's internal financial organisation to sufficiently enable them to assume leadership of the school should circumstances dictate this.
- 2.2.2 Will work closely with the Headteacher in agreeing the planned expenditure for the coming year in respect of all aspects of the delegated and devolved budgets. Have delegated authority to commit the school to expenditure up to an agreed maximum within the particular budget. Expenditure above this limit to be authorised (usually in advance) by the Headteacher.

2.3 The School Business Manager:

- 2.3.1 Will conduct the day to day administration of the school's financial affairs, in line with the Wakefield Scheme for Financing Schools and the local authority's Financial Procedures Manual. They will ensure that the high standards of financial control demanded by the Governing Body are maintained.
- 2.3.2 Will maintain the school's income and expenditure delegate budget on the local authority's Financial Information System (presently Agresso - Unit 4 Business World On!)
- 2.3.3 Will monitor the school's income and expenditure against the delegated budget agreed with the local authority and notify the headteacher of any variation in budget profile.
- 2.3.4 Will provide the local authority with the information and returns they require to fulfil their responsibilities in respect of financial accounting, systems and procedures.
- 2.3.5 Will ensure adequate arrangements for the security of all assets of the school.
- 2.3.6 Will ensure the security of all information held on the school's computer systems and in compliance with the Data Protection Act.
- 2.3.7 Will ensure the schools Asset Register is being maintained and updated on a regular basis. Provide the necessary advice on security of these assets and arrange an independent annual check of those assets.
- 2.3.8 Will maintain detailed records of expenditure for all areas included within the general school budget.
- 2.3.9 Will check that sufficient funds are available under relevant budget headings prior to preparation of orders.
- 2.3.10 Will carry out half termly checks of paye.net and imprest account transactions and records.

2.4 The Business Support Officer:

- 2.4.1 Has responsibility for the security of all cash and cheques, imprest pre-paid card, purchasing card and other financial stationery.
- 2.4.2 Will maintain and update the school's asset register.
- 2.4.3 Will prepare all orders for dispatch.
- 2.4.4 Will update orders with goods received note status.
- 2.4.5 Will receive and check accuracy of all invoices.
- 2.4.6 Will submit electronic income statements (Paye.Net) and imprest claim forms.

3. Financial Procedures

3.1 General Policy

- 3.1.1 The policy of the Governing Body is to use all funds received for the running of the school in the most effective manner by achieving “value for money (vfm)”.
- 3.1.2 An essential part of ensuring vfm is to have sound financial procedures. The Governing Body has reviewed the Wakefield Scheme for Financing Schools and associated local authority Financial Procedures Manual and has adopted the following procedures.
- 3.1.3 To ensure that all staff are familiar with these procedures they should each be given a summarised version of the financial procedures which directly affect them e.g. how to order resources, when to get quotations, cash procedures and inventory arrangements. New members of staff joining the school will also be given their own copy as part of their induction training. The School’s Business Manager will hold a record of who has been given copies.

3.2 School Budget

- 3.2.1 The management and control of the school budget has been delegated by the Governing Body to the Resources Committee. The day to day management of the budget has been delegated to the Headteacher.
- 3.2.2 Monitoring of the school finances is an ongoing process. The Resources Committee shall review all aspects of the school’s budget each year in accordance with the principles of value for money as set out in the Wakefield Scheme for Financing Schools.
- 3.2.3 The Resources Committee will determine a proposed budget for the following financial year in sufficient time for it to be approved by the Governing Body and submitted to the local authority before the end of May (end of June if a Deficit Recovery Plan required).
- 3.2.4 The budget spending plan shall be constructed in line with the School/Premises Development Plan to ensure that the educational requirements of the pupils are met and that the environment within the school is at an acceptable standard. As the school’s budget allocation is mainly based on pupil numbers, fluctuations in these should also be monitored closely by the Headteacher and Governing Body.
- 3.2.5 **Budget Monitoring**

The Headteacher & School Business Manager will work closely with the Resources Committee in monitoring the school’s finances. An up to date written statement of the school finances shall be included in the Headteacher’s report to the Governing Body meetings (at least every term). The format shall be in the local authority’s standard format (e.g. Agresso Monitoring Report) and include spend to date and any known commitments, details of any forecast changes and

explanations for any variances which affect the above financial policy. It shall be a written report, and in sufficient detail for the Governors to fully understand the school's financial position. The report shall be available prior to the arranged meeting. The review and any action shall be minuted.

3.3 Salaries

- 3.3.1 Salaries shall be paid to teaching and non-teaching staff in accordance with agreed National Scales, taking into account local agreements and in accordance with the school's pay policy.
- 3.3.2 All salaries shall be reviewed annually by the Personnel Committee with the Headteacher in an advisory role. No staff governor shall be a member of this Committee.
- 3.3.3 Payroll procedures must make clear who is responsible for authorising all payroll changes. Only the headteacher will have the authority to make changes to payroll payments which directly affect the agreed payroll budget including staff changes, increases in pay and signing overtime/lettings payments. The exception to this will be where the Chair of Governors authorises any changes in the Headteacher's pay.
- 3.3.4 All payroll payments are monitored to ensure that changes and additional payments have been authorised and that they are in respect of the school's staff.
- 3.3.5 A sickness report will be presented to the Finance/Resources Committee at each meeting reporting on its effects on the school's operation and budget in relation to the cost of supply teacher cover.
- 3.3.6 A sickness absence record will be maintained on the local authority's web-based sickness recording system and will be updated at least weekly.

3.4 Purchasing

- 3.4.1 The Governing Body will ensure that the principles of obtaining value for money are always followed particularly obtaining quotations and tenders as required by the Wakefield Scheme for Financing Schools. See Purchasing Policy (Appendix 1).
- 3.4.2 The Headteacher has delegated responsibility to authorise purchases of single items up to the value of £2,500 if the purchase of those items does not exceed the approved budget available for that expenditure head. If purchases require adjustments between heads of agreed expenditure (outside of the CIPFA classification of expenditure) to enable adequate budget to be available then these can be actioned up to £5,000 in consultation with the Chair of Governors.
- 3.4.3 However, in the event that the expenditure is required in an emergency situation for amounts above £5,000 and particularly those not included in the original budget or development plans, the Chair of Governors or the Chair of Resources Committee should be consulted and the expenditure reported retrospectively to the next meeting of the Governing Body.

- 3.4.4 Verbal quotations will be obtained and recorded for orders/contracts of less than £3,000 and records will be kept of the verbal quotations received.
- 3.4.5 All orders/contracts between £3,000 - £75,000 per project will be subject to three written quotations. The lowest quotation shall be accepted unless there are exceptional circumstances approved by the Resources Committee and subsequently reported to the next full Governors' meeting. Records will be kept of the written quotations received.
- 3.4.6 For orders/contracts over £75,000 tender procedures shall be carried out in accordance with local authority regulations as detailed in the Wakefield Scheme for Financing Schools (section 2.17.7). The lowest tender shall be accepted unless there are exceptional circumstances approved by the Resources Committee subsequently reported to the next full Governors' meeting.
- 3.4.7 Orders over £60,000 must not be entered into without the prior agreement of the Corporate Director for Children & Young People.
- 3.4.8 Orders involving leases must be referred in advance to the Capita Asset Services helpdesk to ensure value for money (see leasing policy for further information).
- 3.4.9 Only official orders shall be used for purchases and these should fully describe the items required and agreed price. Where urgency necessitates a verbal or faxed order, this shall be followed by an official signed confirmatory order on the next day.
- 3.4.10 All orders will be authorised by the Headteacher to ensure that sufficient funds are available within the appropriate budget.
- 3.4.11 Before orders are placed for construction or related trades the School Business Manager will ensure that the contractor holds a valid certificate issued by the HM Customs & Revenue confirming the contractor is properly registered under the Construction Industry Scheme. If a certificate is not held an alternative, registered contractor must do the work.
- 3.4.12 Goods and services shall be checked against orders for accuracy by someone other than the School Business Manager. Wherever possible the supplier's goods receipt note should be retained with the school's copy order.
- 3.4.13 Payment shall not be made until a proper invoice has been received, checked for accuracy and delivery, and certified as such by the Headteacher.
- 3.4.14 As a school operating under the P2P system all orders, GRN's and invoices are processed in accordance with the guidance detailed in the Wakefield P2P Procedure manual.
- 3.4.15 Items above £1,000 or of an attractive/portable nature should be considered at this time for inclusion on the school's inventory.
- 3.4.16 The school will liaise with the Council's Taxation Officer on any capital projects to ensure that the VAT implications for the Council and School are full appraised.

3.5 Purchasing Cards

- 3.5.1 The purchasing card can be used to purchase goods in over the counter transactions, over the telephone, or on-line.
- 3.5.2 Invoices/receipts shall be attached to the purchase card statements by the cardholder. Where possible a scanned copy should also be attached to Purchase Card System (SDG2).
- 3.5.3 Transactions must be reviewed and approved on SDG2 in a timely manner (weekly).

3.6 Imprest Account

- 3.6.1 The Imprest Account shall be used for petty cash purchases within the delegated budget for small value payments or emergencies which have been authorised by the Headteacher, where no other payment option is available. All expenditure must be supported by receipts and identify VAT paid. Vouchers must be signed by the recipient and countersigned by an authorised independent member of staff.
- 3.6.2 This account shall be reconciled on a regular basis (monthly) i.e. petty cash balances plus pre-paid card plus receipts for payments (vouchers) agreed to the imprest amount. After this reconciliation, the request for reimbursement must be authorised by the Headteacher or the School Business Manager (SBM) if previously agreed. The SBM can't authorise the reimbursement if they are involved in the day to day administration of the imprest account.
- 3.6.3 The Imprest petty cash float shall at all times be kept securely controlled.
- 3.6.4 The amount of the imprest agreed with the local authority will be set at £700.

3.7 Inventory of School Assets

- 3.7.1 The Business Support Officer shall be responsible for maintaining the school Central Inventory (for items costing above £1,000 or lower value where the risk is considered to be significant i.e. Portable & attractive) which will also show the method of funding. The inventory will normally be updated at the time of purchase and also added to a location inventory.
- 3.7.2 A register should also be kept of all electrical items, for health & safety requirements.
- 3.7.3 Individual members of staff will be made responsible for the safekeeping of the items within their location inventory.
- 3.7.4 All changes to the location inventory will be agreed and recorded by the Administration Officer and the location inventory holder, including temporary moves such as use at home (to comply with insurance arrangements).
- 3.7.5 The Business Support Officer in conjunction with the School Business Manager will decide whether or not the item should be security marked.

- 3.7.6 Any income from the sale of any item shall be credited to the schools delegated budget account unless the item was directly funded from the Schools Voluntary Fund or similar account.
- 3.7.7 The Business Support Officer and location inventory holder will undertake an annual audit of the contents of the inventory. Any significant discrepancies will be reported to the local authority and Governing Body and in circumstances decided by Internal Audit and the local authority the police will be informed.

3.8 Income

- 3.8.1 The Resources Committee will oversee all matters relating to the letting of school premises and will follow the guidance set out in the Wakefield Scheme for Financing Schools.
- 3.8.2 The process of maintaining the diary of any bookings should always be separated from the raising and collection of accounts. Review of any outstanding debts should be undertaken by someone independent of the collection process.
- 3.8.3 Where circumstances dictate that income should be collected at the time the service or letting is made then a receipt must always be given. If invoices are to be raised this should be done through Agresso Accounts Receivable.
- 3.8.4 The Resources Committee will also determine an income collection policy as to how charges are to be collected and their approach to allowing credit and late payment for the School Dinner Monies and lettings. Write-offs may only be considered by the Governing Body. Individual debts up to £500 may be written off by the Governing Body on notification to the local authority, but amounts above this need the formal written approval of the Assistant Chief Executive – Resources & Governance.
- 3.8.5 In setting the rates, the Resources Committee shall have regard to the Governing Body's requirement to maximise lettings' income subject to both market conditions and voluntary use.
- 3.8.6 Regard must be had for the VAT implications relating to income set out in para 5.5 of the Wakefield Scheme for Financing Schools.

3.8.7 School Meal Income

- 3.8.7.1 The School Business Manager and Business Support Officer will be jointly responsible to the Headteacher for the collection of school meals income.
- 3.8.7.2 Parents will be informed that money must be sent in a sealed envelope, on the first day of the week, with the child's name and amount clearly marked on the envelope (unless the school is operating a cashless system in which case parents should be notified of such).
- 3.8.7.3 Dinner registers shall be completed by the Business Support Officer on a Monday morning showing whether the child has paid (marked in black ink), free or having sandwiches (Note: late monies in green and arrears in red). Any loose money will be accompanied by a note as to which child it relates.
- 3.8.7.4 The class teacher shall send the money to the school office with two pupils.

- 3.8.7.5 To ensure there is adequate segregation of duties the monies shall be counted with both the School Business Manager and Business Support Officer in attendance. The count shall be recorded on the daily cash summary sheet by the Business Support Officer and counter-signed as evidence of independent review by the School Business Manager.
- 3.8.7.6 The Business Support Officer will reconcile and complete the Summary Dinner Register and will complete the LA electronic banking return (Paye.Net), as requested, detailing income taken for school meals.
- 3.8.7.6 A letter shall be sent to parents showing arrears, of any value, as required. In the event of non-payment, a more formal letter is sent by the Headteacher. The School Business Manager will discuss with the Headteacher where arrears exceed £100.00 to agree the most appropriate course of action; this may include raising a formal invoice. For arrears exceeding £100, the Council may need to be contacted.
- 3.8.7.7 Free School Meals entitlement is checked termly by the School Business Support Officer. Letters are sent to parents whose eligibility will run out at the end of term. Free Meals are not supplied unless notified by the local authority.

3.9 Accounting and Banking

- 3.9.1 Monies and cheques received from any sources shall be reconciled to the accounting records and banked in the appropriate accounts. The Business Manager will ensure the reconciliation has been undertaken and the monies banked in full. **No expenditure should be incurred from monies collected as income.**
- 3.9.2 Where an income book is used the person handing over the monies shall sign by the specific entry to agree the amount handed over. If receipts are issued the receipt book should also be checked and countersigned.
- 3.9.3 The Business Support Officer will complete the LA electronic banking return (PAYE.NET), as requested, detailing income taken. Half Termly checks will be carried out by the School Business Manager to audit transactions and records.
- 3.9.4 The maximum limit of cash and/or cheques to be held on school premises shall be in accordance with the school's fidelity guarantee insurance requirements.
- 3.9.5 The nature of cash makes it very attractive and vulnerable to loss, it is therefore vital that secure arrangements are in place for its safekeeping and that the person responsible for its safekeeping is apparent at all times.

3.10 Pupil Premium

- 3.10.1 Pupil Premium is additional funding to help schools close the attainment gap between children from low income and other disadvantaged families and their peers. The Pupil Premium is based on the number of FSM pupils, looked after children and children of service families on the school roll at the time of the January census. The school is expected to use the funding to help close the attainment gap of the eligible pupils and to publish a statement for the previous year & current

year confirming the Pupil Premium allocation, spend and the impact it has had. This should be published on the school website and be on an academic year basis.

3.11 Other Government Grants

- 3.11.1 For any other funding/grants that the school applies/bids for it will inform the local authority in writing, seek approval from the local authority prior to submission and if successful, pay the grant funding directly into the school budget via the LA bank account.
- 3.11.2 The school should follow the procedures in the Grant Administration Manual when applying for external funding.
- 3.11.3 The Governing Body will approve the application and the proposed spending plans which will be included in the School Development Plan.
- 3.11.4 The school will liaise with the School Strategy & Performance Team to ensure that the objectives of this additional grant funding are in alignment with the current school priorities and that there is no conflict.

3.12 School Voluntary Fund

High Well does not have a school fund.

3.13 Insurance

- 3.13.1 In allocating the school budget expenditure sufficient funds shall be allocated to allow for insurance premiums to cover the insurance requirements as advised by the Council's Insurance Officer.
- 3.13.2 Where the school wishes to make its own arrangements, it must ensure that the insurance cover is at least the same as what is provided under the local authority scheme.
- 3.13.3 Similarly, the budget must include sufficient to cover premiums or allowances to provide the necessary cover for a realistic level of staff absences.

3.14 Data Protection

- 3.14.1 The Headteacher shall appoint a member of the school's staff (School Business Manager) to be responsible for ensuring that the regulations relating to the Data Protection Act are made known to all members of the school staff. The responsible person should also be aware of all aspects of data management including security, virus protection and suitability of all applications including that all appropriate licences are held.
- 3.14.2 The school computer system holds the financial records of the school along with other records. These records form an essential part in the proper financial management and control of the school. To ensure the security of these records, they shall be saved in a secure Management area.
- 3.14.3 Access to the computer system and records shall only be allowed to those members of staff authorised by the Headteacher (Senior Leadership Team). Each authorised user shall have his / her

own security password which will be changed automatically on a quarterly cycle or sooner depending upon the importance of their level of their personal access level.

- 3.16.2 The CFR return will be examined to ensure accuracy and correct allocation.

3.17 Benchmarking

- 3.17.1 The School Business Manager will undertake a benchmarking exercise on an annual basis to compare the school with other schools with similar criteria on a national basis.
- 3.17.2 A report will be submitted to the Resources Committee to share any best practice suggestions gained from the benchmarking exercise.

3.18 Responsibility For Implementing the Policy

- 3.18.1 The responsibility for ensuring that the school adheres to this policy rests with the Headteacher.

Appendix 1

HIGH WELL SCHOOL - PURCHASING POLICY

1. Value for Money (vfm)

Introduction

The Governing Body is accountable for the way in which the school's resources are allocated to meet the objectives set out in the school's development plans. Governors need to secure the best possible outcome for pupils, in the most efficient and effective way, at a reasonable cost. This will lead to continuous improvement in the school's achievements and services.

Efficiency in Schools

The key to efficiency is *how* schools spend the money they have available, not just *how much* they spend. The key principles which the Governors will apply to optimise efficiency are as follows:

- maximise investment in teaching staff, activities and learning resources that will make the greatest difference to pupil outcomes
- be creative in minimising all other running costs
- focus on efficiency to assist in creating a more robust management system that will reduce the risk of financial irregularities
- continuously review how to optimise spending decisions to achieve the best outcomes for the pupils as improving efficiency is not a one off exercise

Purchasing

Governors and finance staff will develop procedures for assessing need, and obtaining goods and services which provide "vfm" in terms of suitability, efficiency, time, and cost. Measures already in place include:

- competitive tendering procedures (e.g. for goods and services above £75,000)
- procedures for accepting "vfm" quotes, which are not necessarily the cheapest (e.g. suitability for purpose and quality of workmanship)

2. Order Process System

2.1 Three verbal quotations will be obtained for orders up to £3,000.

2.2 All purchases between £3,000 - £75,000 per project will be subject to quotations. The lowest quotation shall be accepted unless there are exceptional circumstances approved by the *Finance / Resources* Committee and subsequently reported to the next full Governors' meeting.

2.3 For orders/contracts over £75,000 tender procedures shall be carried out in accordance with LA regulations as detailed in the Wakefield Scheme for Financing Schools. The lowest tender shall be accepted unless there are exceptional circumstances approved by the *Finance/Resources* Committee subsequently reported to the next full Governors' meeting.

- 2.4 Orders for goods/services over £60,000 will only be entered into where the Corporate Director for Children & Young People has agreed to this.
- 2.5 Telephone orders should only be placed in emergency situations and should then be followed up with written confirmation.
- 2.6 The Admin Officer will input all invoices on the Agresso Financial system. An order number and requisition number will then be automatically generated. The Admin Officer will write the requisition number and order number on the original invoice. The Business Support Officer will then check the budget codes, ensure that the costs are correct and will then approve the payment followed by a goods receipt. The goods receipt number will be written on the invoice and the invoice will be scanned and send to Wakefield Council for payment.
- 2.7 After 30 days of goods receipting, the Admin Officer will check on the Agresso system that payments have been made.

3. Imprest

- 3.1 Petty cash payments should be kept to a minimum and only be used for amounts less than £25.
- 3.2 Any cash payments should be made from the petty cash float and **not** from cash receipts
- 3.3 IOU's must never be paid out of petty cash.
- 3.4 Salary related expenses i.e. car mileage, car parking and subsistence cannot be claimed via petty cash; a Wakefield Council expense claim form will be submitted through the payroll system.
